رسالة المدير Principal's Message

Dear parents and students,

As we delve into another week filled with academic endeavors and extracurricular pursuits, I want to extend a heartfelt thank you to all the parents of Grade 10 students who attended the Options Evening this week. Your presence made the evening a tremendous success, and your engagement is deeply appreciated.

For our Grade 11 and Grade 12 students, the upcoming week marks a significant milestone as we embark on the AP exams. It's essential that students remain focused and adhere to the study plan outlined by their teachers. Your diligence and dedication thus far have laid the groundwork for success, and I encourage you to trust in your preparation as you tackle these assessments. Additionally, a gentle reminder to AP parents to sign and return the exam acknowledgement form if you haven't already done so. Your cooperation is invaluable in ensuring a smooth examination process.

Amidst the academic rigors, our school community continues to shine in extracurricular pursuits. This weekend, our Model United Nations (MUN) team will showcase their diplomatic prowess, while our robotics enthusiasts gear up for a thrilling competition on Saturday. I extend my gratitude to the teachers and students who invest their time and talent in these enriching experiences.

أعزائي أولياء الأمور والطلاب،

بينما ندخل في أسبوعٍ آخر مليءٍ بالمساعي الأكاديمية والأنشطة اللامنهجية، أود أن أتقدم بالشكر الجزيل لجميع أولياء أمور طلاب الصف العاشر الذين حضروا أمسية الخيارات هذا الأسبوع. إن حضوركم جعل الأمسية ناجحة للغاية، ومشاركتكم موضع تقدير كبير.

بالنسبة لطلابنا في الصفين الحادي عشر والثاني عشر، يمثل الأسبوع القادم حدثًا هامًا حيث نبدأ في اختبارات AP. من الضروري أن يظل الطلاب مركزين ويلتزموا بالخطة الدراسية التي حددها معلموهم. لقد أرسى اجتهدكم وتفانيكم حتى الآن الأساس للنجاح، وأنا أشجعكم على أن تثقوا بانفسكم أثناء خوضكم هذه التقييمات. بالإضافة إلى ذلك، تذكير لطيف لأولياء الأمور في برنامج AP للتوقيع على نموذج إقرار الاختبار وإعادته إذا لم تكونوا قد قمتم بذلك بالفعل. تعاونكم لا يقدر بثمن في ضمان عملية فحص سلسة.

وسط الصعوبات الأكاديمية، يواصل مجتمع مدرستنا التآلق في الأنشطة اللامنهجية. في نهاية هذا الأسبوع، سيستعرض فريق نموذج الأمم المتحدة (MUN) براعته الدبلوماسية، بينما يستعد عشاق الروبوتات لدينا لخوض منافسة مثيرة يوم السبت. وأتقدم بالشكر إلى المعلمين والطلاب الذين استثمروا وقتهم ومواهبهم في هذه التجارب الثرية.

As we navigate the final stretch of the academic year, let's remain steadfast in our commitment to learning and growth. Remember, success is not solely measured by outcomes but by the effort and resilience we exhibit along the way. Wishing all our students the very best as they embrace the challenges and opportunities that lie ahead.

Mark Schoemer

Principal

بينما ننتقل إلى المرحلة الأخيرة من العام الدراسي، دعونا نبقي ثابتين في التزامنا بالتعلم والنمو. تذكر أن النجاح لا يقاس بالنتائج فحسب، بل بالجهد والمرونة التي نظهرها على طول الطريق. أتمنى لجميع طلابنا الأفضل في مواجهة التحديات والفرص التي تنتظرهم.

مارك شومر

المدير

Important Dates

Next week

Date	Activity
6-17 May	AP Examinations

Coming soon

Date	Activity
26 May	Book Awards
30 May	Leavers' Dinner
3 June	Commencement Ceremony G12

Book Awards

Each year we hold our book awards to celebrate the learning of our students. All families are invited to attend with students recognized for their learning, dedication, and growth in all Grade levels. We hope you can join us to recognize the efforts of our students.

Date: 26 May

Location: QAST gymnasium

Time: 12:30 - 14:30

جوائز الكتاب

نقيم كل عام جوائز الكتاب للاحتفال بتعليم طلابنا. جميع العائلات مدعوة للحضور مع الطلاب المميزين لتعلمهم وتفانيهم ونموهم في جميع مستويات الصف الدراسي. نأمل أن تتمكنوا من الانضمام إلينا للتعرف على جهود طلابنا.

التاريخ: 26 مايو

الموقع: صالة QAST للألعاب الرياضية

الوقت: 12:30 - 14:30

Leavers' Dinner

All Grade 12 students are invited to a leavers' dinner to celebrate the end of their examinations and their graduation. Look out for details to be shared in the next few weeks.

Commencement Ceremony

Our Grade 12 students will officially graduate on 3 June. The Commencement event will take place at the Qatar National Conference Center. Each family will receive invitations and as always, this spectacular celebration is not to be missed.

عشاء الخريجين

جميع طلاب الصف الثاني عشر مدعوون إلى حفل عشاء للخريجين للاحتفال بنهاية امتحاناتهم وتخرجهم. ترقبوا مشاركة التفاصيل في الأسابيع القليلة المقبلة.

حفل التخرج

سوف يتخرج طلاب الصف الثاني عشر رسميًا في 3 يونيو. وسيقام حفل التخرج في مركز قطر الوطني للمؤتمرات. ستتلقى كل عائلة دعوات، وكما هو الحال دائمًا، لا ينبغي تفويت هذا الاحتفال الرائع.

Summer Programs

Here is a summary of our summer camp program in collaboration with UNIVERSAL and KSCIA @NASA. Each institution will award a certificate. Accommodation can be facilitated at Universal Resort Hotels.

DAVE + UNIVERSAL + KSCIA @NASA

4-Day Program

Day 01: The DAVE School: International Open House

About:

Participants will have one of these three experiences, depending on DAVE's faculty/venue capacity:

- Campus tour and a 6hr hands-on workshop with lunch break, using workstations to do a hands-on visual effects project.
- Campus tour and a 45min presentation by one of the teachers and a 30min Intl Admissions presentation.
- Requirements:
- Attendance capped at 32 students per session.

Day 02: Universal Studios Educational Tour: Special FX

About:

- Behind the Adventure: Discover the Thrills - Universal's Islands of Adventure. Participants learn the Secrets of Movie Making. The arts and sciences are responsible for some of the most spectacular special effects in motion picture history. On this tour, students get an exclusive tour of how the most technologically advanced theme park in the world operates, with a behind the scenes look at what it took to recreate those effects for top Universal Studios attractions.
- 3-hour session, from 8am-11am, with remainder of the day at the park.
- Requirements:
- The group must stay in one of the Universal Resort properties.
- The group must purchase a minimum of (20) 2-Park, 2-Day tickets.
- Groups must apply to participate in the Universal Studies Program using its online application. Space and staff is limited so it is recommended to submit an application as soon as possible to reserve a date.

Days 03-04: KSCIA International Space Academy: STEM & Space Outreach

About:

- The program, named the International Journey of Science and Technology, is tailored for international high school students. It provides them with the chance to visit the renowned NASA Kennedy Space Center in Florida, USA, where they engage in STEM-focused and space-related educational activities. Participants gain unique insights into space exploration and other STEM fields that are unparalleled elsewhere in the world. Site: INTERNATIONAL SPACE ACADEMY - HOME (kscia.com)

- 2 consecutive days, from 9am-6pm.
- Requirements:
- Max 20 participants per session.

Remainder days: Orlando Theme parks and shopping.

Total cost per student for the programs:

US\$ 1800

Total costs for hotel accommodation can be negotiated at a discount with universal resorts. Bus transportation between Orlando and Kennedy Space Center organized by KSCIA. Universal will offer 50% discounted tickets for the remainder days you wish to spend at the resort.

We need a minimum of 20 students to run this summer camp. It will be an exclusive for your group only, no other groups at the same time. We can do it in June or July, but we need to know with time in advance.

Thanks!

Six -Year Medical Program	RCSI (Royal College of Surgeons Ireland) Bahrain campus

This week in QAST

Our G10s in their Innovation Class

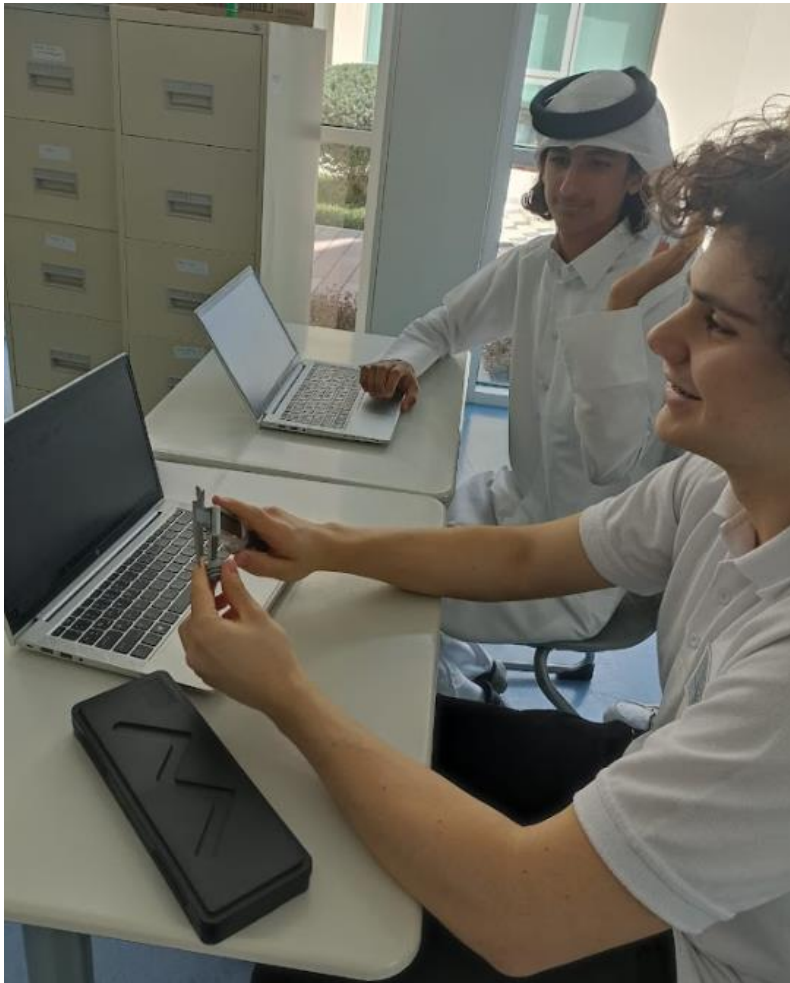

With collaboration with QAD primary school STEM department G10 students have organized more than 6 different workshops to QAD Students during their QAD STEM Day. This big event was a students-led activities. Our students conducted more than 40 sessions during this day and trained more than 150 students on different skills in Robotics, Electronics, Design, and hands on skills.

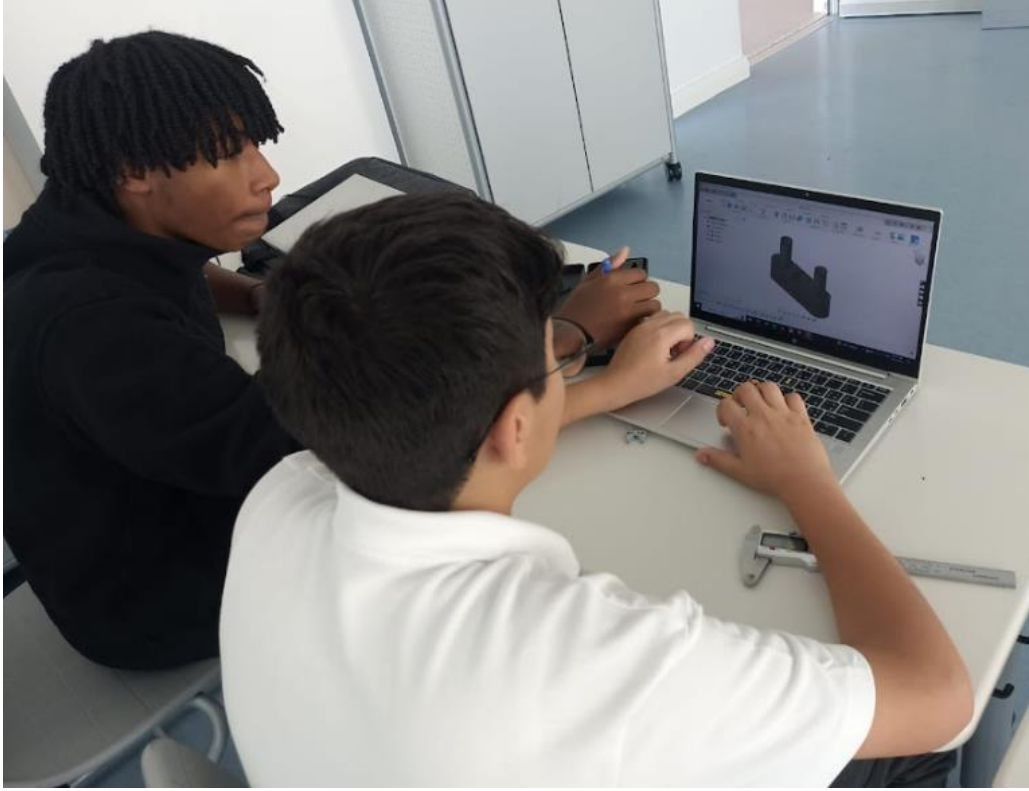

بالتعاون مع قسم العلوم والتكنولوجيا والهندسة والرياضيات (STEM) بالمدرسة الابتدائية في أكاديمية قطر، نظم طلاب الصف العاشر أكثر من 6 ورش عمل مختلفة لطلاب أكاديمية قطر- الدوحة خلال يوم العلوم والتكنولوجيا والهندسة والرياضيات. كان هذا الحدث الكبير عبارة عن أنشطة يقودها الطلاب. أجرى طلابنا أكثر من 40 جلسة خلال هذا اليوم وقاموا بتدريب أكثر من 150 طالبًا على مهارات مختلفة في الروبوتات والإلكترونيات والتصميم والمهارات العملية.

Our G9s in their Innovation Class

In their innovation class and during design and 3D modeling module g9 students have learn the skills of reverse engineering. They used digital calipers to take measurements and build models for existing object to 3D print them later. Students worked in groups and each group was given the challenge to reverse engineer specific object inside their classroom.

في فصل الابتكار وأثناء وحدة التصميم والنمذجة ثلاثية الأبعاد، تعلم الطلاب مهارات الهندسة العكسية. لقد استخدموا الكوادر الرقمية لأخذ القياسات وبناء نماذج للأشياء الموجودة لطباعتها لاحقًا ثلاثية الأبعاد. عمل الطلاب في مجموعات وتم منح كل مجموعة تحدي إجراء هندسة عكسية لكائن معين داخل الفصل الدراسي.
